## 3. Operating Terms

3.1 When a Client makes a withdrawal from their account, they will be subject to a proportionate removal of the bonus amount awarded. The formula used by the system regarding Bonus Removals following a withdrawal request is:  $\text{WITHDRAWAL AMOUNT} \times 1 (100\%)$ .

For example: If a Client withdraws 100 USD from their account, 100 USD will be deducted automatically from the 100% bonus amount that had been previously claimed and awarded.

3.2 Unless all requirements of the program are met, you can withdraw no more than your original deposit plus profits (or minus losses) at any time. Once the original deposit is removed, the bonus is lost. If a part of the original deposit is withdrawn the bonus is removed on a pro rata basis, therefore there will be a partial bonus removal.

3.3 Internal funds transferred between trading Accounts within the Company are considered as withdrawals, therefore Bonus removal will be applied if the amount being transferred out from the 100% Credit Bonus account is from the original balance that was awarded a respective bonus.

Credit Bonuses cannot be transferred between, or from Eligible Clients' trading Accounts within the Company.

3.4 These Terms and Conditions are made in English language. Any other language translation is provided as a convenience only. In the case of any inconsistency or discrepancy between original English texts and their translation into any other language, as the case may be, original versions of English shall prevail.
