

## TERMS OF BUSINESS

### PART 4 – COPY TRADING, PAMM/MAM SERVICES, RISK DISCLOSURES, FORCE MAJEURE & LIABILITY

---

## 32. COPY TRADING SERVICES

32.1 The Company may provide access to Copy Trading services allowing Clients to automatically replicate trades executed by third-party strategy providers.

32.2 Copy Trading is provided solely as a technology service.

32.3 The Company does not:

- Endorse any strategy provider;
- Guarantee performance;
- Provide investment advice;
- Recommend any trading strategy.

32.4 The Client acknowledges that all trading decisions remain their sole responsibility.

32.5 The Client may stop copying a strategy at any time.

32.6 Past performance does not guarantee future results.

---

## 33. RISKS OF COPY TRADING

33.1 The Client acknowledges that Copy Trading involves substantial risk.

33.2 Risks include:

- Delayed execution;
- Different execution prices;
- Slippage;
- Strategy provider errors;
- Market volatility;
- Unexpected losses.

33.3 The performance displayed by strategy providers may differ from actual results achieved by Clients.

33.4 The Company shall not be responsible for losses arising from copied trades.

---

## **34. PAMM SERVICES**

34.1 The Company may provide access to PAMM (Percentage Allocation Management Module) services.

34.2 PAMM investors allocate funds to a money manager for trading purposes.

34.3 Investors acknowledge that:

- Capital is at risk;
- Returns are not guaranteed;
- Losses may exceed expectations.

34.4 The Company does not guarantee the performance of any PAMM manager.

34.5 Past performance is not indicative of future results.

---

## **35. MAM SERVICES**

35.1 The Company may provide access to MAM (Multi-Account Manager) services.

35.2 MAM managers may execute trades across multiple investor accounts simultaneously.

35.3 Investors acknowledge that:

- Trading losses may occur;
- Execution differences may arise;
- Allocation methodologies may affect performance.

35.4 The Company shall not be responsible for losses resulting from manager decisions.

---

## **36. GENERAL RISK DISCLOSURE**

36.1 Trading leveraged financial products involves substantial risk.

36.2 The Client may lose some or all invested capital.

36.3 Trading may not be suitable for all investors.

36.4 The Client confirms that they fully understand the risks associated with:

- Forex Trading
- CFD Trading
- Commodities
- Metals
- Indices

- Shares CFDs
  - Cryptocurrency CFDs
- 

## **37. LEVERAGE RISKS**

37.1 Leverage magnifies both profits and losses.

37.2 A relatively small market movement may result in substantial losses.

37.3 High leverage may cause rapid depletion of account equity.

37.4 The Client acknowledges the risks associated with leverage levels up to 1:1000.

---

## **38. MARKET RISKS**

38.1 Financial markets may experience:

- Volatility
- Liquidity shortages
- Price gaps
- Unexpected movements

38.2 Market conditions may change rapidly without warning.

38.3 The Company cannot guarantee market availability at all times.

---

## **39. GAP RISK**

39.1 Market prices may move significantly between trading sessions.

39.2 Stop-loss orders are not guaranteed.

39.3 Market gaps may result in execution at prices different from requested levels.

39.4 The Company shall not be liable for losses arising from market gaps.

---

## **40. LIQUIDITY RISKS**

40.1 Certain instruments may experience reduced liquidity.

40.2 Reduced liquidity may result in:

- Wider spreads;
- Delayed execution;
- Increased slippage.

40.3 Execution quality may be affected during periods of low market participation.

---

## **41. TECHNOLOGY RISKS**

41.1 The Client acknowledges risks associated with:

- Internet connectivity;
- Hardware failures;
- Software failures;
- Platform interruptions.

41.2 The Company does not guarantee uninterrupted access to trading platforms.

41.3 The Client remains responsible for maintaining appropriate technology infrastructure.

---

## **42. THIRD-PARTY RISKS**

42.1 The Company relies on third-party service providers including:

- Liquidity Providers;
- Payment Processors;
- Hosting Providers;
- Technology Vendors.

42.2 The Company shall not be liable for failures caused by third-party providers.

---

## **43. FORCE MAJEURE**

43.1 A Force Majeure Event includes any event beyond the Company's reasonable control.

43.2 Examples include:

- Natural disasters;
- Wars;
- Civil unrest;
- Terrorist acts;
- Government actions;
- Market closures;
- Liquidity disruptions;

- Power failures;
- Communication failures;
- Cyber attacks.

43.3 During a Force Majeure Event the Company may:

- Suspend services;
- Restrict trading;
- Amend trading conditions;
- Close positions where necessary.

43.4 The Company shall not be liable for losses resulting from Force Majeure Events.

---

## **44. LIMITATION OF LIABILITY**

44.1 The Company shall not be liable for:

- Trading losses;
- Lost profits;
- Indirect damages;
- Consequential damages;
- Market-related losses.

44.2 The Company shall not be responsible for losses resulting from:

- Client negligence;
- Incorrect instructions;
- Technology failures;
- Internet interruptions;
- Force Majeure Events.

44.3 The Company's total liability shall not exceed the balance held within the Client's account unless required by applicable law.

---

## **45. INDEMNITY**

45.1 The Client agrees to indemnify and hold harmless the Company, its directors, employees and affiliates against any claims, losses, liabilities, damages and expenses arising from:

- Breach of these Terms;
- Misuse of Company services;
- Fraudulent activity;
- Violation of applicable laws.

45.2 This indemnity shall survive termination of the business relationship.

---

## 46. NO WARRANTY

46.1 Services are provided on an "as available" basis.

46.2 The Company makes no guarantee regarding:

- Continuous service availability;
- Platform performance;
- Profitability of trading activities.

46.3 The Client accepts all risks associated with use of Company services.
